Gentlemen of West London CC 1988-2021

The scorecards

Individual performances of 20 or more runs and three or more wickets are recorded. Initials are given to distinguish between, e.g. the Khans, Patels, Wrights, etc. This helps to identify those who played as both Gents and opponents (e.g. N. Khan and C. Wright). Margins of victory by wickets show the number of wickets in hand. Thus, the Gents' 117-7 on 2 August 1992 is recorded as a win by 2 wickets because the chasing side only had 10 men. Individual aggregates are shown for each season according to club tradition – 100 runs, 10 wickets and five catches or stumpings.

Match cancellations and abandonments

Cancellations were due to rain unless otherwise stated. Bricklayer's Arms, Judd Street Tigers and, back in the day, Exiles were particularly cursed. The Pacific cancellation was tragic. The sides had never met, so the Fixture Secretary was surprised when he called Pacific in 1991 to arrange a new date, but was refused because the Gents were "not up to their standard."
